If you plan on being single this Valentine's Day, don't stay at home! The entertainment capital of the world has plenty of places waiting for you to drown your sorrows or meet your next beloved. Skip the nightclubs and check out some of the smaller bars and lounges that offer a chance to have a conversation with someone.

Red Square is an iconic "Iron Curtain" bar located in Mandalay Bay. From the headless statue of Lenin to hammer and sickle adornments, Red Square is the perfect place to drown your sorrows. A mixologist will craft the perfect vodka martini and keep it cool on the ice-encrusted bar. Buy a bottle of vodka and you'll get to step into the Vodka Vault where you can share a shot or two next to the frozen head of Lenin.
